

Privacy and Cookie Policy

Official E-Commerce Store Policy Document

1. Personal Information Collection

We collect customer contact details, shipping addresses, payment details processed via PCI-DSS Level 1 compliant gateways, and browsing telemetry solely to provide order fulfillment, customer support, and tailored recommendations.

2. Use of Cookies and Tracking

Our store utilizes functional cookies to maintain shopping cart sessions, analytical cookies to evaluate site traffic, and marketing cookies. Customers may disable non-essential cookies at any time through our Privacy Preference Center.

3. Data Retention and Deletion Rights

Under GDPR and CCPA, customers have the legal right to request access to, correction of, or permanent deletion of their personal records. Data deletion requests are processed within 30 days upon email verification to privacy@store.com.

4. Security and Data Protection

All transactional communications are encrypted using Transport Layer Security (TLS 1.3). We never sell, lease, or rent customer personal data to third-party marketing firms.
